Deputy Township Clerk

AN ORDINANCE REQUIRING FIRE ALARM  
SYSTEMS IN BUILDINGS CONSTRUCTED  
FOR SINGLE FAMILY AND MULTIPLE  
FAMILY DWELLINGS

BE IT ORDAINED by the Township Committee of the Township of Winfield in the County of Union:

Section 1. Every building constructed for single family or multiple family occupancy shall have installed therein and maintain an approved fire detection system. The detector shall be sensitive to any of the products of combustion except that detectors sensitive only to heat are not acceptable. Alarm signaling devices shall be clearly audible in all bedrooms when all intervening doors are closed. Installation of said fire detection system must have prior approval of the Chief of the Fire Department of the Township of Winfield.

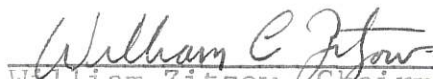

Section 2. Every building constructed for non-residential occupancies over five thousand (5,000) square feet in area, but less than ten thousand (10,000) square feet in area shall have installed therein an approved fire detection system in accordance with the standards for said system as established by the National Fire Protection Association. Said alarm system must be connected to the fire alarm system of the Township of Winfield and the installation of said system must have prior approval of the Chief of the Fire Department of the Township of Winfield.

Section 3. No single family residence shall be rented, and no structural change or repair of a value in excess of \$1,000.00 shall be made thereto, unless and until the residence meets the requirements as aforesaid.

Section 4. This ordinance shall become effective upon publication after final passage as provided by statute.

Passed and approved December 19, 1977.
