

**TOWNSHIP OF WINFIELD – ORDINANCE #373  
COUNTY OF UNION, STATE OF NEW JERSEY  
ILLICIT CONNECTION ORDINANCE**

**SECTION I. Purpose:**

An ordinance to prohibit illicit connections to the municipal separate storm sewer system(s) operated by the Township of Winfield, so as to protect public health, safety and welfare, and to prescribe penalties for the failure to comply.

**SECTION II. Definitions:**

For the purpose of this ordinance, the following terms, phrases, words, and their derivations shall have the meanings stated herein unless their use in the text of this Chapter clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word "shall" is always mandatory and not merely directory. The definitions below are the same as or based on corresponding definitions in the New Jersey Pollutant Discharge Elimination System (NJPDES) rules at N.J.A.C. 7:14A-1.2.

- a. Domestic sewage - waste and wastewater from humans or household operations.
- b. Illicit connection – any physical or non-physical connection that discharges domestic sewage, non-contact cooling water, process wastewater, or other industrial waste (other than stormwater) to the municipal separate storm sewer system operated by the Township of Winfield, unless that discharge is authorized under a NJPDES permit other than the Tier A Municipal Stormwater General Permit (NJPDES Permit Number NJ0141852). Non-physical connections may include, but are not limited to, leaks, flows, or overflows into the municipal separate storm sewer system.
- c. Industrial waste - non-domestic waste, including, but not limited to, those pollutants regulated under Section 307(a), (b), or (c) of the Federal Clean Water Act (33 U.S.C. §1317(a), (b), or (c)).
- d. Municipal separate storm sewer system (MS4)– a conveyance or system of conveyances (including roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, manmade channels, or storm drains) that is owned or operated by the Township of Winfield or other public body, and is designed and used for collecting and conveying stormwater.
- e. NJPDES permit – a permit issued by the New Jersey Department of Environmental Protection to implement the New Jersey Pollutant Discharge Elimination System (NJPDES) rules at N.J.A.C. 7:14A
- f. Non-contact cooling water - water used to reduce temperature for the purpose of cooling. Such waters do not come into direct contact with any raw material, intermediate product (other than heat) or finished product. Non-contact cooling water may however contain algaecides, or biocides to control fouling of equipment such as heat exchangers, and/or corrosion inhibitors.
- g. Person – any individual, corporation, company, partnership, firm, association, or political subdivision of this State subject to municipal jurisdiction.
- h. Process wastewater - any water which, during manufacturing or processing, comes into direct contact with or results from the production or use of any raw material, intermediate product, finished product, byproduct, or waste product. Process wastewater includes, but is not limited to, leachate and cooling water other than non-contact cooling water.
- i. Stormwater – water resulting from precipitation (including rain and snow) that runs off the land's surface, is transmitted to the subsurface, is captured by separate storm sewers or other sewerage or drainage facilities, or is conveyed by snow removal equipment.

**SECTION III. Prohibited Conduct:**

No person shall discharge or cause to be discharged through an illicit connection to the municipal separate storm sewer system operated by the Township of Winfield any domestic sewage, non-contact cooling water, process wastewater, or other industrial waste (other than stormwater).

**SECTION IV. Enforcement:**

This ordinance shall be enforced by the Township of Winfield.

**SECTION V. Penalties:**

Any person(s) who is found to be in violation of the provisions of this ordinance shall be subject to a fine not less than \$100.00 for the first offense, recurring offenses not to exceed \$1,000.00.

**SECTION VI. Severability:**

Each section, subsection, sentence, clause and phrase of this Ordinance is declared to be an independent section, subsection, sentence, clause and phrase, and the finding or holding of any such portion of this Ordinance to be unconstitutional, void, or ineffective for any cause, or reason, shall not affect any other portion of this Ordinance.

**SECTION VII. Effective Date:**

This Ordinance shall be in full force and effect from and after its adoption and any publication as may be required by law.

**DATE INTRODUCED: August 15, 2005**

**PUBLIC NOTICE**

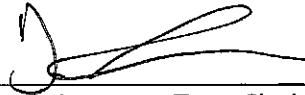

The foregoing ordinance was introduced and approved on first reading at the regular meeting of the Winfield Township Committee held on August 15, 2005 and will be considered for public hearing and final adoption at the regular meeting of the Township Committee to be held on September 19, 2005 at 7:30 PM in the Municipal Building, 12 Gulfstream Avenue, Winfield, NJ.

	MOTIONED	SECONDED	AYES	NAYS	ABSENT	ABSTAIN	I hereby certify that the above Ordinance was introduced by the Township Committee of the Township of Winfield at a meeting held on August 15, 2005.   Laura Reinertsen, Twp. Clerk
